Mr Lindsey Kiddick
401 Calvert St.
Elizabeth City N.C.

Dear Kiddick:

I have not answered your letters sooner because things were a little upset where the baseball was concerned. We were not sure just what would happen due to the war. It looks now like we will be able to operate this year, so we are going ahead with our plans.

First of all I would like to know what is your classification in the draft? Send me that information back right away. A post card will do.

I think it would be wise for you and Banks to work out as much as you can around home, so that you would be able to show at your best when I see you in action.

We expect to be in Petersburg Va. the week of April 20th to 26th. This would probably be a good time to try you out. However I can not let you know definitely just what until later this month. I may take you to Florida earlier in April.

Look to hear from me again this month. In the meantime send me the information I asked for about your class in the draft.

Very Truly Yours
